

**Notice of Availability and Intent to Adopt a Negative Declaration
Proposed Historic Preservation Ordinance for Unincorporated Alameda County**

Pursuant to the State of California Public Resources Code and the "Guidelines for Implementation of the California Environmental Quality Act of 1970" as amended to date, this is to advise you that the Alameda County Community Development Agency has prepared an initial study on the following project:

Alameda County Historic Preservation Ordinance

Alameda County has prepared a draft Historic Preservation Ordinance that would protect and preserve historic resources located within unincorporated Alameda County by formally recognizing such resources and by providing financial incentives for their preservation. If approved, the Ordinance would also standardize the review process for development projects that involve or might otherwise affect historic resources.

The proposed project will not result in any significant impacts.
