### CONSTRUCTION & DEMOLITION DEBRIS MANAGEMENT PLAN – Effective August 13, 2009

On July 14, 2009, the Board of Supervisors of Alameda County adopted a Construction and Demolition Debris Management Program for the unincorporated areas of Alameda County. From August 13, 2009, any covered projects submitted for a building permit will be subject to this program.

#### COVERED PROJECTS

- Any project requiring a demolition permit;
- Residential – Work Area more than 1,000 square feet;
- Non-Residential – Work Area more than 3,000 square feet.

#### WASTE DIVERSION REQUIREMENTS

- 75% of inert solids;
- 50% of all other construction waste.

#### RESOURCE CENTER

- Builder's Guide and Approved Diversion Facilities in Alameda County: [www.stopwaste.org/docs/buildersguide](http://www.stopwaste.org/docs/buildersguide)
- Alameda County Waste Management Authority: Stopwaste.org: <http://www.stopwaste.org/home>
- Alameda County Ordinance - "Construction & Demolition Debris Management", Chapter 15.08, Section 470. <http://www.acgov.org/pwa/bids.shtml>

#### SUBMITTAL REQUIREMENTS

- **Building Permit Process:** Applicant to submit Construction Debris Management Plan and complete the "Estimated Waste" section of the form at time of building permit application for review and approval.
- **Inspection Process:** During construction, contractor or permittee shall submit receipts from approved facilities for diversion of waste and complete the "Actual Waste" section of the form to the County building inspector for approval. Project will not be finalized until the form is complete and accepted by the County building inspector.
