Notice of Upcoming Tree Removal Work San Leandro Creek at the end of Haas Avenue/Cary Drive

Dear Resident,

Alameda County Flood Control and Water Conservation District (District) will be conducting tree removal and pruning work along San Leandro Creek in the vicinity of Haas Avenue/Cary Drive. The following construction information is provided for reference:

Anticipated Construction Schedule

- ❖ Start date: Monday, November 14, 2011
- ❖ Duration: Up to three weeks, subject to change due to weather and unforeseen conditions.
- ❖ Construction hours: 8:30 AM to 5:30 PM, Mondays thru Fridays. No work on weekends and holidays.
- ❖ Truck haul routes: along Haas Avenue to East 14th Street to Davis Street to I-880 Freeway, and along Cary Drive to San Jose Street to Estudillo Avenue to East 14th Street to Davis Street to I-880 Freeway. Truck hauling will take place during construction hours only.

During Construction Hours

- ❖ No parking will be allowed for approximately 300 feet from the end of Haas Avenue and from the end of Cary Drive, to provide construction staging area.
- ❖ Pedestrian bridge connecting Haas Avenue and Cary Drive will be closed Mondays thru Fridays. Alternate routes will be southerly along Bancroft Avenue and San Jose Street.
- ❖ Various size cranes will be used to cut and lift out material, load logs on truck to haul off-site; chipping will be on-site and resulting material haul off-site.
- ❖ Trucks will be traveling along Haas Avenue and/or Cary Drive, hauling tree trunks and limbs.
- ❖ During work hours, some driveway access may be temporarily restricted to accommodate the removal of large tree trunks and limbs.

After Construction Hours

- ❖ Construction equipment will be staged in designated area on Cary Drive on District property.
- ❖ Parking restrictions along curb side will be restored after 5:30 PM.
- ❖ Pedestrian bridge will be reopened after 5:30 PM on Fridays and closed again the following Monday morning at 8:30 AM.
