

MEETING NOTICE

**PATTERSON PASS ROAD SAFETY IMPROVEMENTS
IN THE VICINITY OF MILE MARKER 6.4**

Daniel Woldesenbet, Ph.D., P.E., Director

399 Elmhurst Street • Hayward, CA 94544-1307 • (510) 670-5480 • www.acgov.org/pwa

DATE: THURSDAY, NOVEMBER 7, 2013

TIME: 6:00 PM

**LOCATION: LIVERMORE LIBRARY, BOARD ROOM
1188 SOUTH LIVERMORE AVENUE, LIVERMORE, CA 94550**

Dear Resident:

The Alameda County Public Works Agency invites local residents, property and business owners, and other interested parties to an information meeting regarding a planned safety project on **PATTERSON PASS ROAD in the Vicinity of Mile Marker 6.4**. This meeting will provide information about this safety project along a 1,300 foot section of this roadway.

In 2007, a federal grant became available specifically to improve safety of rural roadways with high traffic collision rates. The County took this opportunity and successfully applied for and received the grant to improve traffic safety on Patterson Pass Road in this area.

The County recognizes that conducting an open and transparent process with opportunities for community input is essential to the project's success. Members of the public are encouraged to attend this meeting.

If you would like additional information, please contact Bond Ng at (510) 670-5785, bond@acpwa.org. You can also visit the County's website: www.acpwa.org to learn more about the project.

Patterson Pass Road in the Vicinity of Mile Marker 6.4: narrow roadway width.
