Make sure the sticker is centered and straight,
near the top of the dispenser

Yes

No

No

- Stickers help us reduce waste and save money
- Help encourage employees to go green
- A well-placed sticker keeps a bathroom looking great

Preparation

- Collect enough stickers from your supervisor to place one on every bathroom paper towel dispenser that you fill.
 - Wipe the dispenser clean of any greasy residue or filth so the sticker attaches well.
 - Carefully place the sticker near the top of the dispenser so it is straight and centered as shown in the picture.
